K.S.RAVISHANKAR

Deputy Manager / Slip House, Insulator Operations

Date : 27 August 2007

To Whom It May Concern:

This is to certify M/S Carborundum universal Ltd. have supplied 3 sets of Alumina base Ball mill lining material. One set was lined during Oct.2006 and Two sets were lined during July.2007. We are happy to inform you that right from enquiry stage to design stage the work was executed professionally and also installation and commissioning was done with great degree of commitment. The performance all the three ball mill are satisfactory and gives us confidence to look for inducting few more ball mills with Alumina liners. So far we have completed about 370 cycles and do not find any sign of wear out.
